The Other Girl Erica Spindler 2017-08-22 From the New York Times bestselling author of *Justice for Sara* and *The First Wife* Erica Spindler comes *The Other Girl*, a chilling new thriller about a ritualistic murder of a college professor that sends a small town cop back into the trauma she thought she'd put behind her. "Explosive." —Publishers Weekly (starred review) "A fantastic thriller from one of the best in the genre!" —RT Reviews A horrific crime. One witness—a fifteen year old girl from the wrong side of the tracks, one known for lying and her own brushes with the law. Is it any surprise no one believed her? Officer Miranda Rader of the Harmony, Louisiana PD is known for her honesty, integrity, and steady hand in a crisis—but that wasn't always so. Miranda comes from the town of Jasper, a place about the size of a good spit on a hot day, and her side of the tracks was the wrong one. She's worked hard to earn the respect of her coworkers and the community. When Miranda and her partner are called to investigate the murder of one of the town's most beloved college professors, they're unprepared for the brutality of the scene. This murder is unlike any they've ever investigated, and just when Miranda thinks she's seen the worst of it, she finds a piece of evidence that chills her to the core: a faded newspaper clipping about that terrible night fifteen years ago. The night she'd buried, along with her past and the girl she'd been back then. Until now that grave had stayed sealed...except for those times, in the deepest part of the night, when the nightmares came: of a crime no one believed happened and the screams of the girl they believed didn't exist. Then another man turns up dead, this one a retired cop. Not just any cop—the

one who took her statement that night. Two murders, two very different men, two killings that on the surface had nothing in common—except Miranda.

Breakneck Erica Spindler 2009-01-20 A remorseless killer. A string of innocent, clean-cut victims. Detectives M.C. Riggio and Kitt Lundgren must race against a cold-blooded predator who moves at breakneck speed in this heart-pounding thriller from New York Times bestselling author Erica Spindler. Hot on the heels of their last case, partners Mary Catherine (M.C.) Riggio and Kitt Lundgren, detectives in the police department's Violent Crimes Bureau in industrial, blue-collar Rockford, Illinois, are called out to a college student's apartment where a young man with no criminal record, not even a noise complaint from his neighbors, appears to have been murdered in his sleep. The trail seems cold, until another victim turns up, and then another... each one striking closer to home for M.C. The growing list of seemingly emotionless kills leaves M.C. and Kitt little to follow—like the first victim, all the targets are young adults, kid-next-door types who've never taken a step outside the law. Meanwhile, the case starts to take its toll on M.C.'s personal life, setting her on edge with her partner and putting their hard-earned friendship in jeopardy. As M.C. and Kitt hunt a faceless killer, they are led deep into the cyberuniverse, where no one is who he seems and you never know who's watching. At the heart of this mesmerizing thriller is the relationship between two headstrong women as they struggle to balance their dual roles, to learn to trust, and to walk the fine line between upholding the law—and taking it into their own hands.
