Most of us spend our lives avoiding that question, but this luminous book--a major best-seller in France--answers it with a directness and eloquence that are nothing less than transforming. As a psychologist in a hospital for the terminally ill in Paris, Marie de Hennezel has spent seven years tending to people who are relinquishing their hold on life. She tells the stories of her patients and their families. de Hennezel teaches us how to turn death--our loved ones' or our own--from something lonely and agonizing into a sacred passage. She discusses the importance of an honest reckoning, the value of ritual, the necessity of touch. In imparting these lessons, Intimate Death becomes a guide to living more fully, more intensely, than we had thought possible.*

*Savarkar Vikram Sampath 2019-08-16 As the intellectual fountainhead of the ideology of Hindutva, which is in political ascendancy in India today, Vinayak Damodar Savarkar is undoubtedly one of the most contentious political thinkers and leaders of the twentieth century. Accounts of his eventful and stormy life have oscillated from eulogizing hagiographies to disparaging demonization. The truth, as always, lies somewhere in between and has unfortunately never been brought to light. Savarkar and his ideology stood as one of the strongest and most virulent opponents of Gandhi, his pacifist philosophy and the Indian National Congress. An alleged atheist and a staunch rationalist who opposed orthodox Hindu beliefs, encouraged inter-caste marriage and dining, and dismissed cow worship as mere superstition, Savarkar was, arguably, the most vocal political voice for the Hindu community through the entire course of India's freedom struggle. From the heady days of revolution and generating international support for the cause of India's freedom as a law student in London, Savarkar found himself arrested, unfairly tried for sedition, transported and incarcerated at the Cellular Jail, in the Andamans, for over a decade, where he underwent unimaginable torture. From being an optimistic advocate of Hindu-Muslim unity in his treatise on the 1857 War of Independence, what was it that transformed him in the Cellular Jail to a proponent of 'Hindutva', which viewed Muslims with suspicion? Drawing from a vast range of original archival documents across India and abroad, this biography in two parts--the first focusing on the years leading up to his incarceration and eventual release from the Kalapani--puts Savarkar, his life and philosophy in a new perspective and looks at the man with all his achievements and failings.*

Golda Elinor Burkett 2009-10-13 Golda Meir was the first female head of state in the Western world and one of the most influential women in modern history. A blend of Emma Goldman and Martin Luther King Jr. in the guise of a cookie-serving grandmother, her uncompromising devotion to shaping and defending a Jewish homeland against dogged enemies and skittish allies stunned political contemporaries and transformed Middle Eastern politics for decades to follow. She outmaneuvered Richard Nixon and Henry Kissinger at their own game of Realpolitik, and led Israel through a bloody war even as she eloquently pleaded for peace, carrying her nation through its most perilous hours while she herself battled cancer. In this masterful biography, critically acclaimed author Elinor Burkett paints a vivid portrait of a legendary woman defined by contradictions: an iron resolve coupled with magnetic charm, a kindly demeanor that disguised a stunning hard-heartedness, and a complete dedication to her country that often overwhelmed her personal relationships.

Karna Ranjit Desai 2019-08-25 'Who am I?' It was a question that had troubled him all his life. His whole life had seemed entangled in the answer. His dignity, his destination, his ambitions -- they all seemed linked to that entanglement. The irony was that the truth, instead of liberating him, had made him rudderless. In the Mahabharata, Karna is known to be the only warrior who could match Arjuna. Born of a god and a mother who abandons him at birth, Karna is mistreated from birth. Rejected by Drona, taunted by Draupadi, insulted by his blood brothers, misunderstood by many and manipulated even by the gods, Karna is the classic tragic hero. In his novel Radheya, Ranjit Desai, the author of Marathi classics like Shriman Yogi and Swami, gives voice to the angst and loneliness of Karna. Translated into English for the first time, the novel brings to surface the many sides to Karna's character: his compassionate nature, his hurt and hubris, the love for his wife, his allegiance to Duryodhana, and his complicated relationship with Krishna.
