The Letter Keeper Charles Martin 2021-06-08 Combining heart-wrenching emotion with edge-of-your-seat tension, New York Times bestselling author Charles Martin explores the true power of sacrificial love. Murphy Shepherd has made a career of finding those no one else could—survivors of human trafficking. His life's mission is helping others find freedom . . . but then the nightmare strikes too close to home. When his new wife, her daughter, and two other teenage girls are stolen, Murphy is left questioning all he has thought to be true. With more dead ends than leads, he has no idea how to find his loved ones. After everything is stripped away, love is what remains. Hope feels lost, but Murphy is willing to expend his last breath trying to bring them home. Praise for The Letter Keeper: "A man broken by events beyond his control accepts the challenge to walk dark ways in order to bring the lost and helpless home, but he comes close to losing himself in the process. Despite the hardship and heartache, Martin's story shines with the light of eternal hope." —Davis Bunn, writing for Christianity Today "It is unequivocally, hands down, a remarkable read. It's everything you want (and a whole lot more) from a sequel . . . Y'all better get ready. Like I said last time, clear your schedule. Then read this book . . . front to back. There will be more sweaty palms, fist pumps, tears, and laughter than the first one. I promise."

In this concise, reader-friendly handbook, he provides brief responses to the top-40 questions that keep people from the faith, such as... What evidence do you have that God exists? How do you know the Bible is actually true? What about those who have never heard of Jesus? Will they be condemned to hell? If God is so loving, why does He allow evil and suffering? How can you say Jesus is the only way to heaven? Don't all religions basically teach the same thing? Aren't a lot of churchgoers hypocrites? She can't escape her house of memories... Jenessa Belville should be happy. She's the hometown girl everyone loves, after all. But she's also the last Belville left-and if she had her way, she'd leave the name and all its painful memories behind. Which is exactly what she hopes to do once she sells Belville Park, the massive estate she inherited from her parents. First, though, she needs to restore the property's once-glorious gardens. But on the same day she puts up the "For Sale" sign, she discovers three children hiding in the caretaker's cottage, thrusting her into the unexpected role of temporary guardian. Fighting for their future means healing from the past... Struggling to mentor a young man with scars nearly as piercing as his own, Lucas offers to help Jenessa restore the Belville grounds. Only the brightest love and hardest sacrifice can turn the house Jenessa never wanted into the home she and Lucas have always longed for. This canine hero rescued a little girl and her family, and now he's helping kids become junior fire inspectors right in their own homes. In colorful, appealing illustrations, Sparky takes a group of young animals through the neighborhood, pointing out hazards, giving basic fire prevention and safety tips, and showing them how to be prepared in case of an emergency.
