Urinary Dysfunction in Prostate Cancer Jaspreet S. Sandhu 2019-03-27 This volume provides a comprehensive, state-of-the-art review of this topic. It reviews natural history, etiology, management, and prevention of urinary dysfunction. The text covers the multiple new treatments for prostate cancer that have been introduced as well as reviewing the etiology, risk factors, and possible prevention of urinary dysfunction in men with prostate cancer. This textbook provides a concise yet comprehensive summary of the current status of the field that will help guide patient management and stimulate investigative efforts. All chapters are written by experts in their fields and include the most up-to-date clinical information Urinary Dysfunction in Prostate Cancer – A Management Guide will serve as a valuable resource for clinicians, surgeons and researchers with an interest in urinary dysfunction caused by prostate cancer or its treatments.

What Nurses Know and Doctors Don't Have Time to Tell You Pat Carroll 2004-06-01 This comprehensive, accessible home reference guide addresses a wide range of health concerns-as only a nurse who knows the inside story on healthcare can. From headaches to ankle sprains, asthma to zinc remedies, this authoritative resource reveals what everyone needs to know in order to get healthy-and stay that way. The book features hundreds of tips on easing symptoms, promoting healing, following a treatment plan, and solving both the big and small problems that arise when someone is sick, hurt, or in pain. Readers will discover how to: € Treat everyday health complaints and minor injuries € Heal faster after an injury € Get the best results from medicines while reducing side effects € Recover more comfortably at home after outpatient surgery

The Aussie Next Door Stefanie London 2019-08-27 "A sweet, sexy read, featuring a couple that feels both true-to-life and aspirational." Kirkus Review, Starred Review American Angie Donovan has never wanted much. When you grow up getting bounced from foster home to foster home, you learn not to become attached to anything, anyone, or any place. But it only took her two days to fall in love with Australia. With her visa clock ticking, surely she can fall in love with an Australian—and get hitched—in two months. Especially if he's as hot and funny as her next-door neighbor... Jace Walters has never wanted much—except a bathroom he didn't have to share. The last cookie all to himself. And solitude. But when you grow up in a family of seven, you can kiss those things goodbye. He's finally living alone and working on his syndicated comic strip in privacy. Sure, his American neighbor is distractingly sexy and annoyingly nosy, but she'll be gone in a few months... Except now she's determined to find her perfect match by checking out every eligible male in the town, and her choices are even more

distracting. So why does it suddenly feel like he—and his obnoxious tight-knit family, and even these two wayward dogs—could be exactly what she needs? Each book in the Patterson's Bluff series is

Life and Labors of Miss Catherine S. Lawrence (Abridged, Annotated) Catherine S. Lawrence  
2016-12-15 "Slavery and intemperance: the two evils of this country." From an early age, Catherine Lawrence devoted her life to the relief of the suffering of others. Like many strong women of her time, she eventually embraced abolition, the temperance movement, and women's suffrage. A deeply religious woman, she felt a calling to help others. During the American Civil War, she worked as a nurse to wounded and dying soldiers.

Understanding Human Anatomy and Physiology Sylvia S. Mader 2005 Renowned for her effective learning systems, respected author Sylvia Mader has helped thousands of entry-level students understand and enjoy the principles of human anatomy and physiology. Mader expertly weaves up-to-date informative content with effective learning systems, piecing together the facts and fascination of human anatomy and physiology. With the fifth edition of Understanding Human Anatomy and Physiology, your introductory, one-semester students have the opportunity to experience an effective blend of up-to-date, informational content with several new features and an extensively enhanced multimedia support system.

Virtualization: A Manager's Guide Dan Kusnetzky 2011-06-13 What exactly is virtualization? As this concise book explains, virtualization is a smorgasbord of technologies that offer organizations many advantages, whether you're managing extremely large stores of rapidly changing data, scaling out an application, or harnessing huge amounts of computational power. With this guide, you get an overview of the five main types of virtualization technology, along with information on security, management, and modern use cases. Topics include: Access virtualization—Allows access to any application from any device Application virtualization—Enables applications to run on many different operating systems and hardware platforms Processing virtualization—Makes one system seem like many, or many seem like one Network virtualization—Presents an artificial view of the network that differs from the physical reality Storage virtualization—Allows many systems to share the same storage devices, enables concealing the location of storage systems, and more

The Widow Waltz Sally Koslow 2013-06-13 "This heartfelt, witty addition to women's fiction will appeal to fans of Elizabeth Berg and Anna Quindlen." (Booklist) Georgia Waltz has things many people only dream of: a plush Manhattan apartment overlooking Central Park, a Hamptons beach house, valuable jewels and art, two bright daughters, and a husband she adores, even after decades of marriage. It's only when Ben suddenly drops dead from a massive coronary while training for the New York City Marathon that Georgia discovers her husband—a successful lawyer—has left them nearly penniless. Their wonderland was built on lies. As the family attorney scours emptied bank accounts, Georgia must not only look for a way to support her family, she needs to face the revelation that Ben was not the perfect husband he appeared to be, just as her daughters—now ensconced back at home with secrets of their own—have to accept that they may not be returning to their lives in Paris and at Stanford subsidized by the Bank of Mom and Dad. As she uncovers hidden resilience, Georgia's sudden midlife shift forces her to consider who she is and what she truly values. That Georgia may also find new love in the land of Spanx and stretch marks surprises everyone—most of all, her. Sally Koslow's fourth novel is deftly told through the alternating viewpoints of her remarkable female protagonists as they plumb for the grit required to reinvent their lives. Inspiring, funny, and deeply satisfying, The Widow Waltz explores in a profound way the bonds between mothers and daughters, belligerent siblings, skittish lovers, and bitter rivals as they discover the power of forgiveness, and healing, all while asking, "What is family, really?"

It's everywhere, and it's telling entire generations of people how to travel the world.' - Fairfax Media (Australia)

When the Blue Shift Comes Robert Silverberg 2014 In the far future, Earth is about to be swallowed by a black hole in this sweeping SF epic from one of the masters of the genre. In a time so far from our own that we cannot comprehend it, humanity has spread amongst the stars and changed in more ways than we can count. But they have never forgotten their birthplace - Earth. But now Earth stands on the brink of catastrophe, at risk of being swallowed by a black hole. One man, Hanosz Prime, ruler of his world, is determined to visit Earth before it is destroyed. His abdication from his throne and his wanderlust are to prove the beginning of a much longer journey - one that will see him fall in love, meet the Oracles of Earth and perhaps, if he is very lucky, provide a means to save the cradle of humanity. Originally started by Robert Silverberg more than 20 years ago but never completed, Hanosz's story is taken up by Alvaro Zinos-Amaro. Silverberg hand-picked Zinos-Amaro to complete the book, and provided notes and guidance. The result is a remarkable collaboration between one of the masters of SF and one of the most exciting new voices in the genre.

Learning iPhone Programming Alasdair Allan 2010-03-09 Get the hands-on experience you need to program for the iPhone and iPod Touch. With this easy-to-follow guide, you'll build several sample applications by learning how to use Xcode tools, the Objective-C programming language, and the core frameworks. Before you know it, you'll not only have the skills to develop your own apps, you'll know

how to sail through the process of submitting apps to the iTunes App Store. Whether you're a developer new to Mac programming or an experienced Mac developer ready to tackle the iPhone and iPod Touch, Learning iPhone Programming will give you a head start on building market-ready iPhone apps. Start using Xcode right away, and learn how to work with Interface Builder Take advantage of model-view-controller (MVC) architecture with Objective-C Build a data-entry interface, and learn how to parse and store the data you receive Solve typical problems while building a variety of challenging sample apps Understand the demands and details of App Store and ad hoc distribution Use iPhone's accelerometer, proximity sensor, GPS, digital compass, and camera Integrate your app with iPhone's preference pane, media playback, and more

Voices of Hope Carole B. Shmurak 1998 Fueled by media reports of gender bias in the schools, the debate over single sex education has been recently renewed. "Voices of Hope" asks for a reconsideration of the framing of that debate. For whom is single sex education better? For the attainment of which goals? What do girls gain by being schooled with male peers? What is lost? In this longitudinal study of more than fifty high school girls at four New England independent schools, Carole B. Shmurak follows their development from ninth grade through the first year of college. Case studies capture the girls' own voices as they describe their hopes for their futures and the events that subsequently affect those futures.

Corporate Finance: Linking Theory to What Companies Do John Graham 2009-09-28 Connect the latest financial theories to what today's organizations and CFOs are actually practicing in business with Graham/Smart/Meggison's CORPORATE FINANCE: LINKING THEORY TO WHAT COMPANIES DO, 3E. This business-focused, accessible text is more relevant than ever as award-winning author and nationally acclaimed finance researcher John Graham of Duke University, joins master-teacher Scott Smart and international business expert Bill Megginson to help bridge the gap between academic rigor and corporate finance practices. Each chapter in this edition now integrates the latest results from Duke University's prestigious CFO Global Business Outlook, a quarterly survey of financial executives that gauges business outlook and topical economic issues. The authors have refined this practical text and integrated technology to closely correspond with the way you teach your MBA-level course. Engaging examples, meaningful cases, and practical exercises reflect how today's changing events and recent financial crises relate to established finance principles. Cross-functional applications and career-focused features, such as actual job interview questions in the margin, make the book applicable to all students, whether finance majors or general business professionals. Time-saving online Smart Finance tools, created by author Scott Smart, further reinforce learning with integrated tutorials, interactive practice, and videos from leading finance researchers introducing key theories and concepts. Graham/Smart/Meggison's CORPORATE FINANCE: LINKING THEORY TO WHAT COMPANIES DO, 3E offers the practical, global financial perspective students need to remain first in finance now and throughout their future careers. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Miss Julia Delivers the Goods Ann B. Ross 2009 Learning that Hazel Marie is pregnant with twins and that the father, private investigator J. D. Pickens, has left town, Miss Julia summons the wayward man to solve a local theft in the hopes of reuniting the couple. By the author of Miss Julia Paints the Town.

When Biometrics Fail Shoshana Magnet 2011-11-11 This book examines the proliferation of surveillance technologies&—such as facial recognition software and digital fingerprinting&—that have come to pervade our everyday lives. Often developed as methods to ensure "national security," these technologies are also routinely employed to regulate our personal information, our work lives, what we buy, and how we live.

Koine Greek Grammar Fredrick J. Long 2015-06-22 Koine Greek Grammar and its accompanying Workbook and Answer Key & Guide have been in the making for decades. It was first a small manual Kairos Greek Grammar; then it grew into a fully integrated and hyperlinked CD that has been published by Logos Bible Software (2005). Now, this current handbook--KOINE GREEK GRAMMAR: A BEGINNING-INTERMEDIATE EXEGETICAL AND PRAGMATIC HANDBOOK--has been thoroughly

expanded to include my more explicit description of marked, emphatic, prominent, and pragmatic features of Greek, ideas that were nascent in KAIROS, but now grounded in a communication theory informed by Relevance Theory (Dan Sperber and Deirdre Wilson), Prominence Theory with reference to translation (Kathleen Callow), and Discourse Grammar and Pragmatics (Stephen Levinsohn, Stanley Porter, and Steven Runge). Exegetically significant aspects of Greek syntax and the use of the Greek language (i.e., pragmatics) occur strategically throughout KOINE GREEK GRAMMAR and include the following: - conjunctions and their constraints - point/counterpoint sets - polysyndeton, asyndeton, correlative emphasis, and lists - fronted modifiers for emphasis (genitive, demonstrative, quantitative) - vocatives as thematic address - appositional statements - the historic present and the verb tense options in narrative - metacomments as orienting statements - interjections as attention getting devices - quantitative, qualitative, interrogative, negative, and comparative types of emphasis - special uses of the noun cases - participle uses, including periphrastic and genitive absolutes - special uses of the Moods - left-(dis)locations - discourse pragmatic uses of the article - conditional and exception clauses

Some of these discussions will have extended Intermediate-level treatments that are placed within greyed boxes. Other significant enhancements are the inclusion of CHECK POINTS that give students a chance to practice what is being learned in each chapter along with (SUGGESTED) ANSWERS that immediately follow. Scattered throughout KOINE GREEK GRAMMAR are images of ancient realia, i.e., remnants of Mediterranean material culture including biblical and non-biblical papyri fragments, vase paintings, coins, bas-reliefs, imperial artifacts, inscriptions, funerary stele, statues, gems, temples, maps, and reconstructed scenes of life in the polis. The language and syntax of the Greek NT is contextually located in these worlds. Still present (but improved) are the CASE IN POINTS at the end of each chapter that briefly describe how particular points of Greek grammar just presented helps us when interpreting the Greek NT. In other words, the CASE IN POINT illustrates how Greek grammar is valuable as a tool for the study of the NT. In addition to having a full APPENDIX, VOCABULARY OF WORDS OCCURRING 20 TIMES OR MORE, and INDICES, KOINE GREEK GRAMMAR has a separate extensive WORKBOOK AND ANSWER KEY & GUIDE. that has been carefully crafted with many exercises drawn directly from biblical expressions and actual verses.

1997 Guide to Literary Agents Don Prues 1996-12-15 Writers who want the marketing savvy and career counseling an agent can provide can truly benefit from this listing of more than 500 literary and script agents in the United States and Canada.

The Company Daughters Samantha Rajaram 2020-10-30 'Blew my mind... so magically written and most of all that it is based on true events... a hard-hitting, soul-crushing book... I loved every moment of it... immersive, heart-wrenching, I feel emotional writing this review.' Goodreads reviewer, 5 stars

Wanted: Company Daughters. Virtuous young ladies to become the brides of industrious settlers in a foreign land. The Company will pay the cost of the lady's dowry and travel. Returns not permitted, orphans preferred. Amsterdam, 1620. Jana Beil has learned that life rarely provides moments of joy. Having run away from a violent father, her days are spent searching for work in an effort to stay out of the city brothels, where desperate women trade their bodies for a mouthful of bread. But when Jana is hired as a servant for the wealthy and kind Master Reynst and his beautiful daughter Sontje, Jana's future begins to look brighter. Then Master Reynst loses his fortune on a bad investment, and everything changes. The house is sold to creditors, leaving Jana back on the street and Sontje without a future. With no other choice, Jana and Sontje are forced to sign with the East India Company as Company Daughters: sailing to a colonial Dutch outpost to become the brides of male settlers they know nothing about. With fear in their hearts, the girls begin their journey – but what awaits them on the other side of the world is nothing like what they've been promised... Based on true history, this is a gripping and unputdownable historical novel, perfect for fans of Girl with a Pearl Earring, The Miniaturist and The Indigo Girl. WINNER OF THE 2021 GOLDEN CROWN LITERARY SOCIETY AWARD FOR DEBUT FICTION. FINALIST FOR THE 2021 BISEXUAL BOOK AWARDS. LONGLISTED FOR THE 2021 HWA DEBUT CROWN AWARD. What readers are saying about The Company Daughters: 'Blew my mind... a book I've told so many people about purely because I'm still in disbelief that it exists, that

it's so magically written and most of all that it is based on true events... a hard-hitting, soul-crushing book of a woman's struggle to survive... I loved every moment of it. Breathlessly, and in a way that took up my entire brain... immersive, heart-wrenching, and I feel emotional writing this review.' Goodreads reviewer, 5 stars 'From the moment I started reading *The Company Daughters*, I was captivated by this historical tale. Although it does contain a love story, it's not a romance... This was a gripping read.' Goodreads reviewer 'This book is so stunningly tender and beautiful, all mixed in with some seriously tragic and heart-wrenching events... Rajaram is an extremely skilled writer, and I love her writing style... The themes of sisterhood and female love were so present in this book and I found it very moving.' Goodreads reviewer 'I was enchanted by this book! It's a delightful read that will have your emotions all over the place.' Goodreads reviewer 'I love historical fiction, and this book touched on a topic and time I knew nearly nothing about... There's love, there's loss, there's surviving, there's thriving... It was a very beautiful book.' Goodreads reviewer 'The Company Daughters is a beautifully written love story... a perfect example of the power of human will and the endurance and hope that love can give a person.' Goodreads reviewer, 5 stars 'This book has a beauty and grace to it. The author's writing just flows off the page, and although there are struggles and upsets by the time you close the book over you are filled with a warm glow.' Goodreads reviewer 'A powerful and insightful read. I look forward to reading more historical work by Samantha Rajaram!' Goodreads reviewer 'Heartbreaking... a moving book... vivid, with amazing characters... This is a great read.' Goodreads reviewer

Laser-Driven Particle Acceleration Towards Radiobiology and Medicine Antonio Giulietti 2016-05-04 This book deals with the new method of laser-driven acceleration for application to radiation biophysics and medicine. It provides multidisciplinary contributions from world leading scientist in order to assess the state of the art of innovative tools for radiation biology research and medical applications of ionizing radiation. The book contains insightful contributions on highly topical aspects of spatio-temporal radiation biophysics, evolving over several orders of magnitude, typically from femtosecond and sub-micrometer scales. Particular attention is devoted to the emerging technology of laser-driven particle accelerators and their application to spatio-temporal radiation biology and medical physics, customization of non-conventional and selective radiotherapy and optimized radioprotection protocols.

Death Waits in the Dark Mark Edward Langley 2020-08-04 It took all of thirty seconds for two shots to bring the world of Margaret Tabaaha crashing down around her. After losing her husband in Afghanistan during the first year of Operation Enduring Freedom, her two sons were all she had left. Now they had been taken from her violently, deliberately, plunging her into a whiskey bottle and stripping away her reason for living. When Arthur Nakai receives a call from his first love, Margaret, her voice pleading for his help, it comes as he is attending a wake for one of the men he considered a brother from his days in the Marines 6th LAR Wolf Pack Battalion. Feeling a deep and responsible obligation to help her, Arthur soon finds himself involved in the multi-billion-dollar world of the oil and gas industry and coming face-to-face with an old adversary, Elias Dayton. Their paths had crossed when Arthur was a member of the Shadow Wolves, an elite tactical unit within US Customs and Border Protection. Now Dayton runs Patriot Security, a Blackwater-type firm that keeps the oil rigs, gas wells, and man camps secure from the Water Protectors, protesters pushing to stop the fracking and poisoning of Native lands. As Arthur works through the case from his end, Navajo police chief Jake Bilagody tackles it from another angle, looking into the strained relationship between the oil company and the Navajo people, all while searching for a missing Navajo man that may have become an unwilling piece on the reservation checkerboard. But when Arthur learns the identity of the boys' killer, he struggles to make sense of it. Because if the clues are right, he will be forced to make a decision that will haunt him for the rest of his life.

Manual for Eye Examination and Diagnosis Mark W. Leitman 2009-04-08 Health professionals and students need look no further than theseventh edition of Leitman's Manual for Eye Examinationand Diagnosis for a concise introduction to eye diagnosisand treatment. What Works in Reducing Domestic Violence? Julie Taylor-Browne 2001 This is probably one of the most important books on domestic violence to be published in Britain in the last several years. What Works in Reducing Domestic Violence? presents a wealth of information on domestic violence and the strategies which have proved effective for dealing with it. The book is outstanding for the quality and number of its contributors, all of whom are well-known and respected in the field. The book is written to be accessible to practitioners, academics and any one engaged in multi-agency work in this area. Focusing on how to improve agency responses to women's needs, the chapters draw on a wide range of evaluations carried out internationally and on feedback from women themselves. Subjects covered include: housing needs; health services; the criminal justice response; children's needs; multi-agency working; perpetrators; civil remedies; outreach and advocacy. The book also examines what is known about the risks of domestic violence and its costs, and makes the case for targeted interventions which will ultimately save both lives and money. The bibliography offers a most helpful listing of recent work in this field. This book has its origins in work commissioned in 1999 by the Home Office of England and Wales under its Crime Reduction Programme Violence against Women Initiative. Summaries of the work in each area were published as a Crime Reduction Programme Briefing Note which proved to be one of the most popular collections that the Home Office ever issued. The reports, now available in this book, represent the views of the authors, and should not be taken to be Home Office or Government policy. However, they amount to a comprehensive guide - which any professional in this field will want to have always to hand. Contents Women survivors' views on domestic violence services Audrey Mullender and Gill Hague Meeting the needs of children who live with domestic violence Audrey Mullender Dealing with perpetrators Audrey Mullender and Sheila Burton What role can the Health services play? Leslie L Davidson, Valerie King, Jo Garcia, Sally Marchant Effective policing of domestic violence Jalna Hanmer and Sue Griffiths Accommodation provision for households experiencing domestic violence Debra Levison & Nicola Harwin Domestic violence and harassment: An assessment of the civil remedies Susan Edwards New directions in prosecuting domestic violence Susan Edwards Supporting women and children in their communities: Outreach and advocacy approaches to domestic violence Liz Kelly and Cathy Humphreys Multi-agency initiatives as a response to domestic violence Gill Hague Assessing and managing the risk of domestic violence Sylvia Walby and Andrew Myhill Monitoring costs and evaluating needs Debbie Crisp and Betsy Stanko Julie Taylor-Browne was a Principal Research Officer the Home Office, responsible for the Crime Reduction Programme's Violence against Women Initiative.

Teaching Abby Becca Jameson 2020-02-25 It's a summer internship. Never mind that the owners are hot. Never mind that there are three of them. Never mind that they are twice her age. Never mind that they have a secret "play" room in the basement. Never mind that she's never been more intrigued in her life. She only has three months. No matter how deeply she gets involved, she can't stay...

market for West German art pottery. & break;& break; Values are based on real-world results thanks to dozens of contributing auctions houses from coast to coast.

To My Arrogant Boss J. S. Cooper 2021-01-01 To Mr. Tate Howard, You are quite possibly the most infuriating, annoying and grumpy man I've ever met in my life. I know you think that you're God's gift to women, but I have a secret to let you in on: you're not. You're God's gift to yourself. Get over your wanna-be cool surfer self and grow up. I thought it was time that someone addressed your big head and told you straight to your face that you're not all that. Just because you have an Ivy league education doesn't mean you're the smartest man in the world. In fact, I'm not even sure if you would have gotten in if you didn't have rich parents. Yes, I went there. Every woman doesn't want to sleep with you and I'm sure you're not even good in bed. And I'm someone that would know. From, Your Secret Not Admirer

The Descendants Complete Series (Books 1, 1.5, 2, 3) L.D. Hall 2019-10-04 A Discovery of Witches meets Twilight in this mesmerizing paranormal romance... Naomi Feldman has never understood the strange energy that hums beneath her senses. But when she comes across an ancient artifact that seems to beckon to her, she may finally find the answers she's been seeking. Alaric, a centuries-old vampire, lives a solitary life by choice. When he's assigned to protect Naomi, long dormant emotions stir to life. Pursued by a dangerous enemy and battling their growing attraction, Naomi and Alaric follow the mystery of the artifact from the museums of Athens, the streets of London, toward a confrontation that will decide the fate of two worlds... Fans of Charlaine Harris, Deborah Harkness, and Karen Marie Moning will love the Descendants series, where urban fantasy and paranormal romance collide. For a limited time, grab your copy of this series bundle deal at a discount compared to purchasing the individual books.

Windows XP Home Edition David Pogue 2004 Explains how to get accustomed to the new operating system and master its features, covering topics such as using menus and control panels, networking multiple PCs, and finding lost files.

Urban School Leadership Tom Payzant 2010-11-04 This important book, written by educational expert and urban school leader, Tom Payzant, offers a realistic understanding of what urban school leadership looks like from the inside. Payzant shares his first-hand knowledge of the unique managerial, instructional, and political tasks of this role. Effectively combining practical lessons and research, Urban School Leadership includes in-depth analysis of various leadership concerns. The book covers topics such as improving student achievement, working with unions, building community, and maintaining and developing resources. Most importantly, it offers stories of real school leaders whose successes and missteps reveal the inherent "messiness" of this difficult job. Urban School Leadership is part of the Jossey-Bass Leadership Library in Education series. "This important book provides compelling examples of how effective leaders can have hope, see progress, and achieve success for all children in the schools and districts they lead."—Richard Riley, former United States Secretary of Education "Tom Payzant is one of the few people who could provide such a comprehensive, useful book for educational leaders at all levels. This very practical book is grounded in the important experiences and impressive judgment of one of our nation's most successful school superintendents"—Jon Schnur, co-founder and CEO, New Leaders for New Schools "Tom Payzant is one of the finest urban educators of our generation. Urban School Leadership is compelling, crisp, and wise—providing a clear path for those dedicated to improving the trajectory of children's lives."—Timothy F.C. Knowles, executive director, Center for Urban School Improvement, University of Chicago "Urban School Leadership is a must read for anyone interested in the landscape of urban public education in America."—Beverly Hall, superintendent, Atlanta Public Schools

Markets for Schooling Nick Adnett 2002-01-10 Nick Adnett and Peter Davies develop an economic analysis of schooling markets, emphasizing both the strengths and weaknesses of orthodox analyses. They explain the economic and social contexts that have generated the widespread desire to reform state schooling and develop a systematic analysis of the key policy components examining both theory and international evidence. The authors employ a unique framework based upon economic analysis

that is informed by research performed by educationalists and other social scientists. Markets for Schooling is designed to be accessible and of interest to all researchers, administrators and policy-makers concerned with education and economics.

Learning-Driven Schools Barry Beers 2006-06-15 Many teachers are trained to approach their work with a set of teaching strategies and lessons that changes little over time. Because they are focused on how they teach, rather than on how their students learn, they use the same techniques day after day, making no adjustments for students' different learning needs. In Learning-Driven Schools: A Practical Guide for Teachers and Principals, Barry Beers shows how teachers can plan, teach, and assess for student learning--and how principals can support teachers in their efforts. The book includes \* An overview of the research on knowledge retention; \* Real-life samples of lesson plans that address state and local standards; \* Strategies on accurately assessing student learning; \* Advice for teachers on addressing the needs of struggling, intermediate, and advanced students at the same time; and \* Advice for administrators on conducting effective classroom observations. A rallying cry and how-to guide rolled into one, this book is an invaluable resource for anyone passionate about learning. Having served as a veteran teacher and principal himself, Barry Beers brings his own experience and understanding to bear on the essential task of ensuring that student learning remains the clear focus of our schools.
